## Handbook of Rehabilitation Counseling (Springer Series on Rehabilitation)

This state-of-the-art textbook illustrates paradigms for professional practice, provides an overview of current knowledge and future trends in rehabilitation counseling, and aims to stimulate thinking that will lead to new research initiatives.

Both settings (private and public) as well as services are addressed, including placement, advocacy, and case management. The text also contains elements of practice, including cutting edge uses of technology and supervision, both clinical and managerial. The appendices include useful source materials such as Rehabilitation Acronyms and the Code of Professional Ethics for Certified Rehabilitation Counselors.
