## **Past Lives and Present Karma** Ann Jaffin

It was 1923 and a man named Arthur Lammers received a psychic reading from Edgar Cayce when, for the first time in the Cayce readings, a past life was mentioned. In fact, Lammers was told that he was in his third life on earth and had once been a monk. From that point on, and for the rest of his life, Edgar Cayce would give "life readings" (the second largest group of readings in the set of 14,000 given by Cayce) that discussed how one's past lives were affecting them in their current life. Author Ann Jaffin has pulled together invaluable insights on reincarnation and our purpose here on earth from the rich source of these Cayce readings. Topics include: \* How we choose our parents before we are born \* Karma as cosmic cause and effect \* Knowing our spiritual ideal \* Transforming karma into grace \* Our free will--God's greatest gift \* Planetary sojourns and the role Arcturus plays Jaffin's book will give you a deeper understanding of reincarnation in all its many aspects, while explaining how reincarnation supports us as we strive to fulfill the very purpose of our souls.
