Have you ever wondered how it is that two people faced with the same set of circumstances can produce opposite results? How some people seem to be able to achieve infinitely more than others whilst remaining cool, calm and collected? We may refer to the more successful people as lucky but is it really luck? Neuro Linguistic Programming (NLP) shows it's not it's all down to the way we think. Brilliant NLP makes mastering the techniques of NLP easy helping you to see things differently, master your thinking and become more efficient, more effective and more successful in everything you do. In this abridged audio programme, author David Molden explains the principles behind NLP and gives you a step by step guide to influencing your success.
