## Dominated By The Alpha Pack (Gay MMM Ménage First Time Shifter Paranormal Interracial Taboo Erotic Short) S. A. Wilde

Charlie has always been curious in terms of most things in his life. But never his sexuality. That is until he meets the Moonlight clan, a pack of *hot alpha males* who shift when the moon is *ripe*.

The difference? They're not all wolves.

Charlie's curiosity is peaked when the alpha of the pack, a dragon by the name of Julius invites him onto their turf, wanting to settle a deal that could **benefit them both**.

But when he introduces his comrades, a whole plethora of *steaming, muscular shifters* that want nothing more than Charlie *gagged and bound*, will his curiosity be the thing that gets him into trouble? Or will it be something much more *primal*...?
