Fascism: Why Not Here?

Brian Fogarty

Fascism: Why Not Here? Brian Fogarty

When the Nazis took power in 1933, most Germans did not foresee the oncoming storm. Many were wildly enthusiastic; some were alarmed; most were worried but trusted that things would work out. In short, they felt much as Americans have felt from time to time. *Fascism: Why Not Here?* draws parallels between German culture of the early twentieth century and American culture today, concluding that fascism could arise in America—but not through either of the major political parties. While Fogarty postulates that it would take a confluence of events and circumstances to propel Americans into the arms of fascism, he concludes that it is not entirely unlikely. If the war against terrorism were to become more costly and less effective, if the economy were to tailspin, and if we were to endure several other major terrorist attacks, how would we respond to a political outsider's bold and decisive plan to end partisan bickering and “make America great” again? In examining the similarities and differences between Nazi Germany and America today, Fogarty finds many reasons for hope that Americans would not fall victim to such a chauvinistic appeal, but he also finds plenty to worry about. He points out that contemporary Americans and Germans of the 1920s and 1930s share many similar values, ideals, fears, and beliefs. Fogarty's strong words of caution will appeal to any reader who is concerned about America's political future and the freedoms we too often take for granted.

From reader reviews:

Daniel Rogers:

Spent a free a chance to be fun activity to try and do! A lot of people spent their leisure time with their family, or their very own friends. Usually they doing activity like watching television, gonna beach, or picnic in the park. They actually doing same task every week. Do you feel it? Would you like to something different to fill your current free time/ holiday? Could be reading a book might be option to fill your cost-free time/ holiday. The first thing that you'll ask may be what kinds of e-book that you should read. If you want to attempt look for book, may be the guide untitled Fascism: Why Not Here? can be excellent book to read. May be it can be best activity to you.

George Clark:

The reason why? Because this Fascism: Why Not Here? is an unordinary book that the inside of the guide waiting for you to snap it but latter it will surprise you with the secret the idea inside. Reading this book close to it was fantastic author who write the book in such incredible way makes the content within easier to understand, entertaining method but still convey the meaning totally. So , it is good for you because of not hesitating having this any more or you going to regret it. This book will give you a lot of benefits than the other book have got such as help improving your ability and your critical thinking means. So , still want to postpone having that book? If I were you I will go to the book store hurriedly.

Edna Kissel:

You could spend your free time to read this book this book. This Fascism: Why Not Here? is simple to develop you can read it in the park your car, in the beach, train and also soon. If you did not have got much space to bring the actual printed book, you can buy the particular e-book. It is make you quicker to read it. You can save the book in your smart phone. Consequently there are a lot of benefits that you will get when one buys this book.

Christopher Gaul:

Many people spending their time by playing outside along with friends, fun activity using family or just watching TV all day long. You can have new activity to spend your whole day by examining a book. Ugh, you think reading a book really can hard because you have to accept the book everywhere? It ok you can have the e-book, having everywhere you want in your Mobile phone. Like Fascism: Why Not Here? which is obtaining the e-book version. So , try out this book? Let's observe.
