Web-Based Learning and Teaching Technologies: Opportunities and Challenges Anil Aggarwal

During the last two decades of the 20th century, telecommunications technologies combined with Web-enabled technologies have created a new technology-based focus, Web-based learning and teaching. This new area has changed the concept of education around the world, creating new challenges and opportunities offered by this new technology-based concept. This volume addresses many issues, trends, opportunities and problems facing colleges and universities in the effective utilization and management of Web-based learning and teaching technologies.
