# Cather Studies, Volume 4: Willa Cather's Canadian and Old World Connections

*Cather Studies*

**Cather Studies, Volume 4: Willa Cather's Canadian and Old World Connections** Cather Studies  
*Cather Studies 4* contains eighteen essays and elaborates a theme, “Willa Cather’s Canadian and Old World Connections.” Such connections are central to Cather’s art and artistry. She transported much from the Old World to the New, shaping her antecedents to tell, in new ways, the stories of Nebraska, of the American Southwest, and especially of Quebec, in *Shadows on the Rock*.

David Stouck details Cather’s numerous Canadian connections, Richard Millington treats her “anthropological” re-creation of the cultural moment of seventeenth-century Quebec, and François Palleau-Papin finds “The Hidden French in Cather’s English.” A volume of lively and informed criticism, *Cather Studies 4* vividly demonstrates Cather’s artistry and her work’s deep connections to the present cultural and critical moment.
