This book contains much you need to know about protein bars and making protein bars on your own at home. Inside you will learn about what's in a protein bar and how they've become so invaluable over the years. There are also a few basic instructions for making bars on your own. All bars within this book are completely made without cooking or making, making them even more convenient to prepare.

Instructional books are never informative if they are too long, too wordy or contain more information than what was meant to be portrayed. This short eBook is designed to give a basic lesson in protein bars without making the reader feel weighed down or overwhelmed with information. After learning the basics in this book, the reader may feel free to acquire other more detailed manuals that offer more bar suggestions, meal plans and more nutritional advice. This guide serves as a basic education tool to help the beginning protein bar chef on his or her way to making bars that are nutritional and delicious.

Here is what you will learn after reading this book:

- The Protein Bar
- Inside the Protein Bar
- Who Chooses the Protein Bar?
- Tips for Preparing Protein Bars
- Basic Protein Bars
- After Making the Bars
