## **Your imagination matters.**

Contrary to popular perception, the imagination isn't just for kids, artists, or fans of science fiction. Rather, it's what bridges our thinking and feeling, allowing us to do everything from planning a weekend getaway to remembering what we ate for breakfast.

In *Imagination Redeemed*, Gene Veith and Matthew Ristuccia uncover the imagination's importance for Christians, helping us understand who God is, what his Word teaches, and how we should live in the world today. Here is a call to embrace this forgotten part of the mind as a gift from God designed to bolster faith, hope, and love in his people.
