## **That Summer (A South Shore Novel Book 1) Michelle Flick**

South Shore is the only place I've ever felt loved. It's the only place where I can forget everything that's happened to me since I left. It's here I hope to rebuild my life, to escape the bad choices I've made. But the town isn't the only thing I hope to recapture. The truth, my driving force for returning, is Jack Monroe. Remington Crawford is the girl I've dreamed about every night since she left me eight years ago. And now she's back and every bit as sassy and beautiful as she was when she was nineteen. But I've moved on, or that's what I tell myself, until she walks right back into my life. And I just don't know if I can do it again.
