The Wizard's Book of Spells

Beatrice Phillpotts

The Wizard's Book of Spells Beatrice Phillpotts

In a new small format, this highly illustrated, enchanting journey through the history and traditions of wizardry takes readers from Merlin to Gandalf, and offers practical spells to try

The story of magic and its famous practitioners is told in this enchanting compendium of magical lore. It explores the secrets of ancient sorcerers, the practices of medieval alchemists, and the rituals of modern magicians; and it reveals how lucky talismans work, suggests tools for successful spell-casting, and resolves the riddles that surround sacred sites and ceremonial magic. Along the way it introduces the most remarkable wizards in history and fiction, from the evil sorceress Circe to Professor Dumbledore. Specially commissioned paintings by Robert Ingpen, as well as works by artists such as Bosch and Goya, Arthur Rackham's atmospheric book illustrations, medieval woodcuts, and extraordinary engravings of arcana are all featured. Beautifully bound with specially padded covers, this is the perfect gift for fantasy fans and budding alchemists young and old.
