International Business Transactions: A Problem-Oriented Coursebook, 8th Edition Ralph H. Folsom, Michael Wallace Gordon, John A. Spanogle, Peter Fitzgerald

This casebook comprehensively covers the dynamic field of international business, primarily for a U.S. perspective. Gives current, in-depth explanations about issues that corporate clients are likely to face, such as defending against important competition, expanding exports and overseas markets and dealing with the North American Free Trade Agreement and the Uruguay Round the General Agreement on Tariffs and Trade. Provides many hard-to-find legal documents. This coursebook is designed to introduce law students to a wide range of problems involving trade, licensing and investment issues, and how those issues are affected by trade or investment in developed, developing nonmarket and transition economies.
