**Loose Leaf Version of Microbiology: A Human Perspective with Connect Access Card** Eugene Nester, Martha Nester, Denise Anderson, Jr., C. Evans Roberts

**Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, how they need it, so that your class time is more engaging and effective.**

Appropriate for the non-major/allied health student, this authoritative text carefully explains the fundamentals of microbiology, providing a general overview of the principles followed by more detailed explanations. With its clear and concise writing style, *Microbiology: A Human Perspective* offers modern coverage on such topics as genomics, biofilms, and quorum sensing. A body systems approach is used in the coverage of diseases.
