Want to write applications for iOS or the Mac? This introduction to programming and the Objective-C language is the first step on your journey from someone who uses apps to someone who writes them.

Based on Big Nerd Ranch's legendary *Objective-C Bootcamp*,¿this book covers C, Objective-C, and the common programming idioms that enable developers to make the most of Apple technologies.

This is the only introductory-level book written by Aaron Hillegass, one of the most experienced and authoritative voices in the iOS and Cocoa community.

Compatible with Xcode 4.2, iOS 5, and Mac OS X 10.7 (Lion), this guide features short chapters and engaging style to keep you motivated and moving forward. At the same time, Aaron's determination that you understand what you're doing—or at least why you're doing it—encourages you to think critically as a programmer.
