A vampire took his soul. He wants it back.

When 21-year-old Nolan Bishop meets Eva, a seductive redhead at a dark club in downtown Shreveport, little does he know his soul will be gone as soon as she is. It doesn't take Nolan long to realize that this succubus, who is now invading his dreams, has taken something from him. Through the underground network of the supernatural in New Orleans, he finds out he has a mere 7 days to destroy Eva before he turns into a sinister and feral vampire. In a race against all that is holy, Nolan meets Eva's identical twin, Charity, who is still very much human. He begs for her help to find Eva with the intent to kill her. But Charity doesn't want to see her sister die – succubus or not. Nolan has a serious decision to make with regards to his humanity and his heart, and not a lot of time to do it – all while trying not to fall in love with Charity – and all in 7 days.
