The Book of Photography: The History, the Technique, the Art, the Future (Hardback) - Common By (author) Anne H. Hoy

Since its invention in 1839, photography has come to change not only the way we view the world, but the world itself. Every field--medicine, astronomy, journalism, art, geography, history--has been revolutionized by photography. Now, spanning more than 166 years of photographic history and the work of more than 250 photographers, this comprehensive and global volume explores every aspect of photog...
