## **Near Death Experiences: A glimpse at what lies ahead** Francisco Valentín

Would you be surprised if I tell you that a Near Death Experience is nothing more than a spiritual experience? And what if I provide you with enough evidence to that indisputable truth and without theological ties?

Throughout this book I will take you on a journey through time and space for you to see above and beyond what science cannot explain, religion cannot understand, and spirituality is too broad to clarify...unless the witness himself can fully explain.

I am that witness having a NDE in 1979 at the young age of 17 who brought with me things not taught in school. I further became a witness to transcendental experiences in 2000, 2002, 2010, 2011, 2012, 2013, 2014 and currently anticipating what awaits for me in 2015.

I will explain, with easy to understand analogies, what does indeed take place, how it takes place, what is to expect and how to prepare yourself for the journey. After all, there is no mystery in life...only lack of information to what lies ahead.
