*William Blake*

**The Marriage of Heaven and Hell: A Facsimile in Full Color (Dover Fine Art, History of Art) William Blake**

Once regarded as a brilliant eccentric whose works skirted the outer fringes of English art and literature, William Blake (1757–1827) is today recognized as a major poet, a profound thinker, and one of the most original and exciting English artists. Nowhere is his glorious poetic and pictorial legacy more evident than in *The Marriage of Heaven and Hell*, which many consider his most inspired and original work.

*The Marriage of Heaven and Hell* is both a humorous satire on religion and morality and a work that concisely expresses Blake's essential wisdom and philosophy, much of it revealed in the 70 aphorisms of his "Proverbs of Hell." This beautiful edition, reproduced from a rare facsimile, invites readers to enjoy the rich character of Blake's own hand-printed text along with his deeply stirring illustrations, reproduced on 27 full-color plates. A typeset transcription of the text is included.
